

STORM U22 COMPETITION AT SUNWAY PYRAMID and THE PENANG PESTA TOURNAMENT 2022

Participation in overseas tournaments are great opportunities for our bowlers to build confidence, resilience and sow the seeds for excellence. Naturally, all STRIKE events involves the family and building new friendships. STRIKE is pleased to facilitate participation in the very popular STORM U22 tournament held in Sunway Pyramid, Malaysia and the PENANG PESTA. STRIKE bowlers have always done very well with a large number of representation in the Masters Finals for both boys and girls. STRIKE will make arrangements for Registration, MQ booking and Scheduling and provide Coaching and Admin Support throughout the Tournaments. Parents and Bowlers made their own arrangements to book Travel, Hotel, and Transfer Arrangement. For registration, please email Siew Hoon (siewhoon@strikeacademy.com) to find out more and register now. STRIKE Coaching support dates will be announced soon.
