

Our Programmes

STRIKE Academy's Bowling Programme is infused with STRIKE's proprietary Character Development Programme. STRIKE's bowling programme applauds the efforts and achievements of every child by recognising that each child is a UNIQUE individual. In addition to the excellent bowling programmes, STRIKE incorporates other holistic activities to complement a child's development through various life skill and adventure activities. Creating and encouraging the child to discover and build resilience, we organize Quarterly Medals Event as part of their ongoing lessons; we also work with our students to participate in various National, Age-groups and Overseas competitions. Look out also for our Holidays Bowling Programmes for Children, Kids and Beginners. Feel free to browse under "Our Programmes" to find out more.
